

?? Architectural Historian

The City shall include an architectural historian on the Project through the completion of Project construction. The historian shall oversee completion of the elements of this PA, coordinate with the SHPD regarding the elements included in this PA, and coordinate with the Department of Planning and Permitting regarding land use planning activities, including transit oriented development, in the vicinity of project stations.

IX.

B) This PA identifies all reasonably foreseeable effects caused by the Project to historic properties within the area of potential effect. Should any Signatory identify potential additional reasonably foreseeable effects of the Project after the execution of this PA, the FTA shall determine if the identified effect constitutes an adverse effect and shall request concurrence of the finding from the SHPD and consult with the Signatories to determine appropriate mitigation commensurate to the effect.

X.

F) The City shall consult with the OIBC to develop an approach for consultation regarding any iwi kupuna discovered during the archaeological inventory survey. The City shall complete a draft approach for OIBC review within six months of the adoption of this Programmatic Agreement.

VIII.

D) The City shall undertake a Humanities Program to enhance visitor and resident exposure to the depth of history and culture in the vicinity of the Project. The City shall approach island schools to propose and develop the content for the materials included in Stipulation VIII.
